

**United States Department of State
and the Broadcasting Board of Governors
Office of Inspector General**

Inspection of Embassy Port Louis, Mauritius

Embassy Port Louis has an exceptionally well-trained, loyal, and able cadre of local employees. The flipside is their tendency to function out of habit and to resist change.

Measures should be taken to reduce the workload expected of the small political/economic section.

Processing of visa applicants should be modified to address crowd control, security, and personal comfort issues.

OIG Report ISP-I-08-49A, Inspection of Embassy Port Louis, Mauritius

The fieldwork for this report was conducted by the Office of Inspections in Port Louis between June 20 and 27, 2008. This is an unclassified summary of a full report, which receives limited official distribution. Both the report summary and the full report reflect the conditions reviewed during the fieldwork.
